# Celebrating CollabAction at Play #DaanUtsav

## *Special Edition of the Bi-Weekly Bachpan Manao Newsletter*

The essence of Bachpan Manao is a deep care to unlock abundance for Caring Adults around the child - parents, family members, teachers, Anganwadi workers, librarians and many more.

For Caring Adults to recognise the abundance of growth, learning moments, and opportunities in the first eight years or 400 weeks of every child's life.

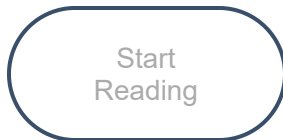

The Bachpan Manao CollabActors have created offerings across many contexts to serve the needs of all types of these Caring Adults. There is an abundance of resources and tools.

The Bachpan Manao ecosystem has witnessed so much generosity. CollabActors have offered Masterclasses, curated Newsletters, co-created and joined digital and on-ground campaigns, created spaces for meaningful conversations and platforms for the Voices of Children and Caring Adults to be heard, created micro-sites with resources, piloted solutions, and in this way generated many meaningful public goods.

This Bachpan Manao newsletter celebrates #DaanUtsav by celebrating these many acts of kindness, sharing, and giving of resources to unlock abundance within and for the sake of every child.

This #DaanUtsav, Bachpan Manao - celebrates childhood and growth amongst us. Dive into the treasure trove below.
